10MW Off-Grid Solar Container Procurement Contract

Overview

What is Paradip Port Authority preparing for a 10 MW solar power project?

Paradip Port Authority has issued a tender for the design, engineering, procurement, construction, installation, testing, commissioning, and comprehensive ten-year operation and maintenance of a 10 MW grid-connected solar photovoltaic power project. The last date for the submission of bids is Novem.

When to submit bids for floating solar project in Jharkhand?

Damodar Valley Corporation (DVC) has issued a tender for the design, engineering, procurement, construction, installation, testing, and commissioning of a 10 MW grid-connected floating solar project in Jharkhand. The last date to submit the bids is Novem. Bids will be opened on the same day.

Who can bid on a solar project?

Bidders must be developers of grid-tied solar power projects with a cumulative installed capacity of 5 MW or more, including at least one project with a capacity of 2 MW or above. The project must have been operational for a minimum of six months before the bid submission date.

How long should a bidder be able to operate a solar power plant?

atisfactory operation for at least six (06) months prior to the last date of bid submission.ANDIIB. The bidder should have experience in execution of Ground mounted Solar Projects as a Developer of at least 02 (T o) Grid connected Solar PV Power Plant Projects having an
