40-foot folding shipping container for rural use

Overview

Where can I buy 40 ft shipping containers?

Choosing a selection results in a full page refresh. Shop 40 ft shipping containers online. XCaliber Container offers new, used, refurbished, and modified 40' shipping containers. We also offer 40 ft cabin containers, 40 ft tiny home containers, 40 ft mobile office containers, and more.

What is a 40 ft container used for?

40ft units can be used for commercial, residential, and shipping industry applications. There are a few types of 40-foot shipping containers, but the most common one is the standard dry 40' shipping container. These storage containers are easy to load and unload and can hold products that are dense or have a lot of weight.

Are used 40ft containers a good storage solution?

Used 40ft containers, retired from international shipping after 15-20 years, are an excellent static storage solution. Although they're no longer suitable for stacking or shipping, they offer a cost-effective alternative to renting a storage unit or building a garage or shed.

How much cargo can a 40ft container hold?

Compared to a 20ft shipping container, a 40ft container can pack a whopping 2.53 m of cargo for every ton of weight. Meaning, a 40' container can hold up to approximately 26.76 tons of cargo. 40ft units can be used for commercial, residential, and shipping industry applications.
