

**EQACC SOLAR**

**Australian manufacturers of  
waterproof mobile energy  
storage containers**

## Overview

---

Who is apex Energy Australia?

At Apex Energy Australia, we offer state-of-the-art Battery Energy Storage Systems (BESS) tailored to meet diverse energy needs.

Who is stor-energy?

Stor-Energy is a leading and specialist developer, owner and operator of large-scale battery storage systems across Australia's national electricity market. The company, CitiPower and Powercor, empowers communities by providing them with choices on how to generate, store, use, and sell energy, supporting the transition to a clean energy future.

What is a battery energy storage container (BESC)?

We've partnered with specialist engineers to integrate advanced features such as explosive pressure vents, pressure release valves and a negative air unit. Storemasta's Battery Energy Storage Containers (BESC) offer an advanced, secure solution for housing your Battery Energy Storage System (BESS).

Will Australia's first energy storage system be operational by 2026?

EnergyAustralia is actively pursuing the development of Australia's first four-hour utility-scale battery, the Wooreen Energy Storage System, with a capacity of 350 MW, set to be operational by 2026 in Victoria's Latrobe Valley. This project highlights the company's commitment to advancing energy storage solutions.
