Bondhus solar panels

Overview

Where are Bondhus tools made?

About Bondhus! Bondhus Corporation is located in Monticello, Minnesota - USA; about 40 minutes from Minneapolis. Bondhus employees are proud of our Company and the tools we make. Our Ball, Hex, and TORX® tools are made in our Monticello manufacturing facility, just across the street from the Mighty Mississippi River.

Are Bondhus® tools covered by a lifetime warranty?

All Bondhus® products are guaranteed for life. If you are not happy with a Bondhus® tool - for any reason - simply contact customer service. A replacement will be shipped right out at no cost - no hassles, no questions asked! Not all warranties are created equal, and the tool industry is no exception.

Why is Shenzhen a key hub for solar energy manufacturing in China?

Shenzhen is quickly becoming a key hub for solar energy manufacturing in China. As the world's top producer of solar panels, China's industry has shifted south to Shenzhen, where advanced technology and large-scale production come together to create a strong global supply chain.

Who is Suntech Power?

Company Profile: Suntech Power, officially known as Wuxi Suntech Power Co., Ltd., is a global leader in the solar industry with a significant presence in China. The company specializes in the production of high-quality solar panels and systems.
