Boston Solar Light Tiles

Overview

Who is Boston Solar?

Solar Residential Solar Commercial Solar The Boston Solar Team has delivered customized solar energy solutions to over 6,000 households in New England for the past 13 years. Recently, we have expanded into the commercial market, completing projects for small businesses and even the iconic Fenway Park, home of the Red Sox.

Does Boston Solar install solar?

From financing to design and installation, Boston Solar does it all. Our in-house installers are licensed and certified, meaning you can rest assured that your solar meets the most rigorous standards. Download the Boston Solar complete guide to going solar and get answers to all your questions about solar energy.

What is a goodwe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

Are solar roof tiles any good?

Built to Last: Made with tempered glass, Solar Roof tiles are more than three times stronger than standard roofing tiles and engineered for all-weather durability, including active snow/ice melting. **Maximum Solar Generation:** Maximize your solar production with more tiles —that generate more energy.
