## Overview

---

What is a shipping container house?

The Shipping Container Homes is a top choice in our Container House collection. Container Houses are often constructed using steel, wood, and aluminum. These materials offer durability, flexibility, and customization options. To ensure the quality and longevity of your Container House, consult with a reputable manufacturer on material choices.

Where can I buy a container house?

From Southeast Asia to the Middle East, Yichen is known as one of the most reliable container house manufacturers. Whether you need to buy container houses from China, or partner with expert custom container builders, we've got your back—every step of the way. Compact and stylish, ideal for temporary or private modular use.

How much does a container house cost?

Short version: most finished container homes land between \$30,000 and \$250,000+, or roughly \$150-\$350 per square foot for a fully. Copyright 2025, Ecoplant. All Rights Reserved. Buy high-quality container houses from China's trusted manufacturer.

What types of container homes does Yichen offer?

Yichen offers prefab, portable, modular, customized aluminum alloy, and two-storey container homes at wholesale prices. Whether you need temporary housing, shipping container homes, or custom container living solutions — we supply it all with full OEM/ODM support and fast global delivery.
