What is ES-series switchgear?

ES-series complete high-end switchgear. The design of the switchgear has been developed by Eltech Solutions OÜ to fulfill various technical solutions, which many standard solutions do not allow.

Who is Doho electrical equipment & switchgear?

DOHO is one of the top electrical equipment and switchgear companies in the world, specializing in the production of low-voltage and medium-voltage switchgear as well as key components such as circuit breakers, relays, contactors, and protectors.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.

What are the advantages of a switchgear?

The design of the switchgear has been developed by Eltech Solutions OÜ to fulfill various technical solutions, which many standard solutions do not allow. The main advantages of the construction are the rigidity of the main structure of the frame and the flexibility based on modularity (perforation in 25 mm increments).
