

EQACC SOLAR

Discount on automatic folding containers for island use

Overview

How long does it take to fold a container?

Folding and unfolding of such containers take only ten minutes and four folded containers are connected or 'bundled' together to form a single unit. These bundled single units are then handled like a single container using normal MHE.

What is a hand-held folding container system?

Take the air out of shipping and storage costs with the Hand-Held Folding Container System. To sharpen material handling efficiency, ORBIS' folding containers offer more capacity, less wasted space, reduced shipping and storage costs. They quickly assemble or collapse in only 3.8 seconds.

Which companies are coming out with foldable containers?

Staxxon is another company that is coming out with foldable containers. This year, the US-based company operating out of New Jersey began trials of their foldable containers collaborating with freight vessels, road transport operators, and railcar companies.

What is compact containers?

Compact Containers serves the global shipping and intermodal industry with an efficient, low-cost means to transport containers by Road, Rail, or Sea. Discover the future of cargo logistics with Compact Containers. Our SeaFold 40' collapsible containers redefine efficiency & cost savings.
