

EQACC SOLAR

Eastern European Energy Storage Container 200kW

ESS

Overview

What is energy storage Europe?

EASE will now be known as the Energy Storage Europe association, with a new identity designed to give the sector a stronger visibility. This transformation marks a significant milestone as the association approaches its 15 th anniversary and reflects the central role that energy storage now plays in Europe's energy future.

What is the European energy inventory storage dataset based on?

Please wait. Disclaimer: The European Energy Inventory Storage dataset is mainly based on public data and data from Wood Mackenzie. Wood Mackenzie Limited, subject to any additional data modifications and/or input provided by the EC or any of its authorised 3rd party contributor.

What is the energy storage Europe rebranding?

The European Association for Storage of Energy (EASE) today announced a rebranding to better reflect the rapid evolution of the energy storage role in the energy storage system. EASE will now be known as the Energy Storage Europe association, with a new identity designed to give the sector a stronger visibility.

What is energy storage Europe Association?

Energy Storage Europe Association is actively shaping the legal and R&D funding framework for energy storage at EU level. Members gain direct influence in the European decision-making process. Members benefit from the Energy Storage Europe Association's expertise and technical know-how, and they can participate in EU-funded research projects.
