

EQACC SOLAR

Eastern European smart battery cabinet manufacturer

Overview

Who makes battery energy storage systems?

Continental AG Continental AG, a renowned automotive supplier, has actively developed electric vehicle batteries and battery energy storage systems (BESS). It was founded in 1871 and is headquartered in Hanover, Germany.

What is a smart battery storage system?

Smart battery storage solutions: Modular and scalable system with power conversion system (PCS). Our Smart Energy Management storage systems are built on the Siemens safety PLC and equipped with LiFePO4 battery modules. Discover our solutions. The SieStar battery storage systems are designed for growth within the designed housing.

Why is the battery industry growing in Europe?

The European Union's ambitious targets to reduce carbon emissions and promote sustainable energy have led to a surge in demand for electric vehicles and renewable energy systems. As a result, the battery manufacturing industry in Europe is experiencing unprecedented growth.

Who are the key players in the European battery market?

The European battery market is witnessing significant growth and innovation driven by key players such as LG Chem, Continental AG, Exide Technologies, EnerSys, Saft, Leclanché, VARTA, Hoppecke, and Banner Batteries.
