Equatorial Guinea container energy storage cabinet export

Overview

Which countries export to Equatorial Guinea in 2022?

Equatorial Guinea's key export partners in 2022 were Zambia (21.3%), Spain (15.3%), China (15.1%), India (9.9%), and Italy (5.9%); whereas imports came chiefly from Zambia (37.6%), China (13.6%), Spain (9.9%), Nigeria (7%), the United States (4%), and Angola (2.5% - data ITC).

Is Equatorial Guinea open to trade?

Equatorial Guinea: Trade Profile Equatorial Guinea is open to trade, which accounted for 88% of its GDP (World Bank, latest data available). The country is working to reduce non-tariff barriers and its relatively high customs duties. Administrative procedures and corruption are other big obstacles to a good performance of trade and business.

Is Equatorial Guinea a member of the World Trade Organization?

Equatorial Guinea is a member of several regional and international trade organizations, including the African Union, the Economic Community of Central African States (ECCAS), and the World Trade Organization (WTO).
