

EQACC SOLAR

Factory price 480v switchgear in Switzerland

Overview

Where are switchgear products made?

Our switchgear products are custom built in production facilities in Ireland, USA and UAE. We offer a single source Medium Voltage and Low Voltage switchgear solution allowing you to take a fully integrated approach to power distribution. Discover the best switchgear and switchboard solution to protect your equipment.

Why should you choose a custom-built switchgear & electrical switchboard?

Our custom-built switchgear and electrical switchboards guarantee the proper flow of power and protection for your equipment. Discover the best power distribution solutions to protect your equipment.

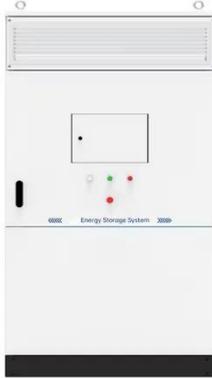

What is the best switchgear & switchboard solution?

Discover the best switchgear and switchboard solution to protect your equipment. Ideal for dynamic data center environments, the modular Vertiv™ Powerbar iMPB allows businesses to cost-effectively optimize and adapt power distribution infrastructure over time. User friendly tap-off boxes can be placed anywhere along.

Does Switzerland have a reliable power supply?

A reliable power supply is taken for granted in Switzerland. At the same time, it is the Achilles heel of our highly industrialized world. ABB will provide more than 1,500 units of MNS® low-voltage switchgear for the Shanghai Stock Exchange (SSE) Jinqiao Technology Center project.
