# **Factory price 480v switchgear in Uk**

## Overview

---

We are a leading UK supplier of quality new and refurbished switchgear, renowned for our engineering expertise, responsiveness and equipment stock. Manufactured and tested in accordance with inte.

Who is northern switchgear?

Based in Belfast City Centre and established in 1999, Northern Switchgear Ltd has become a leading electrical wholesaler and bespoke switchboard manufacturer serving industries across the UK, Ireland and throughout Europe.

What factors influence the switchgear industry in the UK?

The Switchgear industry in the United Kingdom is influenced by several key factors that potential stakeholders should consider. Regulatory compliance is crucial, as the industry is governed by stringent safety and environmental standards, including the UK's Electricity Safety, Quality, and Continuity Regulations.

Who are HV/MV & LV switchgear?

We are a leading UK supplier of quality new and refurbished switchgear, renowned for our engineering expertise, responsiveness and equipment stock. Manufactured and tested in accordance with internationally recognised standards, we supply and support current and legacy HV/MV & LV switchgear in the following sectors:.

What types of switchgear are available?

This includes both standard switchgear and also our bespoke manufactured, transformer mounted low voltage distribution units with either single or multiple ways. All switchgear can be supplied as either a new switchboard or in addition to the customer's existing equipment.
