in Japan**

Overview

How big is Japan's outdoor equipment market?

Japan's outdoor equipment market is projected to grow to ¥500 billion (\$3.5 billion USD) by the end of 2025. across categories like high-performance apparel, minimalist camping gear, glamping resorts, and mountain tourism. And it's not just hardcore adventurers fueling it. Office workers, students, and even retirees are joining in.

What is the Japanese outdoor market 2025?

In fact, the Japanese outdoor market 2025 has become one of the most talked-about in the global industry. Blending heritage with high-performance gear, this market now sits at the intersection of design, utility, and culture — and it's expanding faster than anyone expected. So, how big is the outdoor scene in Japan these days?

Does Japan have a booming outdoor lifestyle market in 2025?

Japan's deep-rooted respect for nature — from cherry blossom strolls to hiking in the Japanese Alps — continues to shape its booming outdoor lifestyle market. In 2025, the Japanese outdoor market is setting global benchmarks in both product innovation and cultural lifestyle integration. But something has shifted.

Which outdoor products are most popular in Japan?

Cooking Gear ranks next with a 15% share, highlighting the importance of meal preparation in outdoor activities. Lastly, Hiking Backpacks hold around 12%, reflecting the steady popularity of hiking and mobility-based outdoor recreation. Japan's outdoor consumers are active across retail channels — and so is AWISSEE.
