

**EQACC SOLAR**

# **Factory price main switchgear in Belgium**

## Overview

---

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one foot away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.

Who is SGC - switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications.
