# **Folding Containers for Farms High Efficiency**

## Overview

---

What are agriculture foldable crates?

This category of dedicated agriculture foldable crates is produced only from high-quality impact-resistant injected plastic and designed to withstand daily intensive folding and unfolding. Transport, delivery, stacking and storage included. These foldable crates save up to 85% of the space when not used.

What are akypak® foldable large containers for non-palletisable loads?

AkyPak® foldable large containers for non-palletisable loads will streamline your logistics operations. Also known as FLCs, Pallet Boxes or Sleeve Packs, these long-lasting and environmentally friendly containers consist of a pallet base, a foldable sleeve, and a lid.

Why should you choose a folding container?

Contact us! Folding containers can give up to an 80% saving in volume and are available in standard footprints and heights. Lid and closure options are also available.

Why do you need a lid for a foldable container?

Our foldable boxes come with a range of customizable features, offering flexibility for various industries and optimizing your logistics operations. Lids for foldable containers provide essential protection for contents, keeping items safe from dust, moisture, and contaminants during storage and transportation.
