

EQACC SOLAR

Georgetown Solar Container 120kW Distributor

Overview

What is a solarcontainer?

The Solarcontainer is a photovoltaic power plant that was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system, a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest Panels lays flat on the ground.

Who is solarcont GmbH?

SolarCont GmbH was created through a cooperation between the two successful companies Hilber Solar GmbH from beautiful Tyrol and the company Gföllner Fahrzeugbau und Containertechnik GmbH, which is deeply rooted in Upper Austria. This cooperation makes it possible to develop a completely new type of mobile solar system.

How many households can a solar Container Supply?

Based on an average power consumption of a 4-person household of 4000 kWh per year and a location in Southern Germany, the solar container can supply approx. 32 households with climate-friendly electricity. At a location in Southern Europe it can even be up to 50 households due to the high solar radiation.

What is a solar PV container?

The Solar PV Container is a containerized solar power solution. It has been designed with the aim of combining solar electricity production and mobility to provide this electricity everywhere around the world.

Georgetown Solar Container 120kW Distributor

120kVA 120kW Solar Power Plant And Price

Flexible, Scalable Design For Efficient 120kVA 120kW Solar Power Plant. With Lithium-ion Battery Off Grid Solar System For A Factory, Hotel, or House Communities.

[Get Price](#)

ECOSUN

Cooling solar container for off-grid cold storage-needs up to 9KW. Mobile autonomous drinking water production in a container with a capacity up to 100m3 per day using solar energy up to ...

[Get Price](#)

50KW modular power converter

Modular Solar Power Station Container Factory

Mobile Solar Power Container Manufacturers and Modular Solar Power Station Container Factory. Integrating independent research and development, production, sales, and service, we are ...
