# **Ghana communication 5g base station is good**

## Overview

---

Does MTN Ghana have a 5G strategy?

Techfocus24 gathered from very reliable sources that MTN Ghana is having a separate discussion with the government on their 5G strategy, possibly outside of the shared infrastructure arrangement. It is early days yet. Explore the world of impactful news with CitiNewsroom on WhatsApp!.

Who are Ghana's 5G partners?

The Government of Ghana has announced its partnership with seven industry players on a new shared infrastructure to deliver affordable 5G mobile broadband services across Ghana. The seven partners are Ascend Digital, K-NET, Radisys, Nokia, and Tech Mahindra and two telcos – AT Ghana and Telecel Ghana.

Will NGIC launch 4G / 5G network as a service?

CEO of Ascend Digital and Executive Director, of NGIC, Harkirit Singh said, “NGIC intends to launch its wholesale 4G/ 5G Network as a Service and make it available to all mobile network operators within the next six months.

Why do we need a shared 5G mobile broadband infrastructure?

Minister for Communications and Digitalization, Ursula Owusu-Ekuful said, “The creation of a shared 5G Mobile Broadband Infrastructure is critical for delivering affordable, high-speed data access to the people of Ghana and help achieve our Digital Ghana vision.
