**How many base stations are there in Burkina Faso and where are they located**

## Overview

---

Does France have a military base in Burkina Faso?

The vast majority of Barkhane's 5,100 soldiers operate in the tri-border region. But France has no military bases in Burkina Faso, therefore military patrols in the country tend to be run out of Mali. Dialo says security in Tin-Akof improved for a few weeks after the French forces' visit, but then it deteriorated again and was worse than ever.

What is the Air Force of Burkina Faso?

The air force of Burkina Faso, the Force Aérienne du Burkina Faso (FABF), is structured to directly support counter-insurgency and internal security operations. Its organization includes transport and helicopter squadrons, a framework established since its formal inauguration in 1985.

Where can I find more information about Burkina Faso?

More information about U.S.-Burkina Faso relations is available on the Burkina Faso Page and from other Department of State publications. The United States established diplomatic relations with Burkina Faso (then called Upper Volta) in 1960, following its independence from France.

Which satellite stations are in Burkina Faso?

Satellite earth stations: 1 Intelsat (Atlantic Ocean) (2011). Communications cables: Burkina Faso is linked to the global submarine cable network and the international Internet backbone through Senegal's Sonatel fibre-optic transmission network.
