What is Huawei eyewear 2?

HUAWEI Eyewear 2 provides 11-hour comfortable listening, open sound field and private acoustics. Adapting stylish design and premium materials, it offers comfortable wearing experience, suitable for different occasions.

Does Huawei make changes to product specifications?

To provide accurate product information, specifications, and features, HUAWEI may make real-time adjustments to the preceding specifications, so that they match the product performance, specifications, indexes, and components of the actual product. Product information is subject to such changes and adjustments without notice.

What is the left temple board on Huawei eyewear 2?

The left temple board on the Huawei Eyewear 2 is one of two boards in the smart glasses for the main operation. Source: TechInsights Left temple board  
The left temple board is one of two boards used to control the Huawei Eyewear 2.

Does Huawei eyewear 2 have a wind-noise-resistant duct?

The wind-noise-resistant duct prevents air from being directly blown into the microphones, and keeps the sound clear as can be, even at wind speeds of up to 4.5 m/s. HUAWEI Eyewear 2 is also bolstered by a smart call noise cancellation algorithm, which limits ambient noise without compromising call quality.
