

**EQACC SOLAR**

# **Intelligent Photovoltaic Energy Storage Container 200kW Customer Support**

## Overview

---

What is a 200KW all-in-one solar system?

**Seamless Integration and Scalability:** Our 200kW all-in-one system offers seamless integration of solar panels and LFP battery storage, providing a comprehensive energy solution for your business or industrial needs. With scalability in mind, this system can be easily expanded to accommodate future growth and energy requirements.

What is a 200kW solar energy system?

**Unmatched Power Generation:** Discover unparalleled energy efficiency with our 200kW all-in-one solar energy system. Designed to revolutionize power generation, this system harnesses the abundant energy of the sun to provide a sustainable and reliable power source for your large-scale projects.

What is a 200kwh air-cooled energy storage system?

Say goodbye to worrying about power outages or fluctuating energy costs – with our state-of-the-art system, you're in control. The 200kWh Air-Cooled Energy Storage System (Model: FC-W-200kWh-100kW) internally integrates DCDC energy storage/photovoltaic-side voltage transformation, supporting connection to photovoltaic systems.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

## Intelligent Photovoltaic Energy Storage Container 200kW Customer

---

### High Capacity 200kW Battery Energy Storage System

The EMS system enables the storage, transfer, and exchange of the energy between the storage device, the photovoltaic system, the grid, and the load, thus optimizing the energy, improving ...

### Lithium battery parameters

Product capacity: 100Ah

Product size: 135\*197\*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5
