Juba inverter processing factory

Overview

Where is Juba mechanical & electrical company located?

Zhejiang Juba Mechanical & Electrical Co., Ltd. is located in Wenling City in the southeast Zhejiang Province. It was established in 1988, covering an area of 35,000 square meters and a workshop area of 25,000 square meters. There are more than 300 employees. Consists of three parts and offer verified information.

Who is Zhejiang Juba?

Zhejiang Juba Mechanical&Electrical Co., Ltd. was established in 1988. It is a comprehensive welding equipment manufacturer integrating R&D, design and manufacturing. We specialize in the production of high-quality welding equipment, where the use of high-quality materials, excellent welding capabilities and ease of use are our priorities.

Why should you choose Juba?

Optimize your operations like never before with the strength of Juba. More than 30 years' experience in manufacturing welding machines. High advanced welding intelligent testing equipment, and dust-free electronic circuit board workshop. We have a professional and strong R&D team and skillful technicians to offer one-stop solutions.

Juba inverter processing factory

JUBA AC/DC INVERTER TIG WELDER

JUBA AC/DC INVERTER TIG WELDER
WSE200/250 Business type:Manufacturer
Brand name:JUBA Set up:1988 Factory
size :32659m2 Total employee:418 R& D
and QC:32 ...
