Kyiv new energy bms battery manufacturer

Overview

Will a new battery storage facility strengthen Ukraine's grid?

Sept. 10, 2025. (Bohdan Nazarenko/DTEK) Ukraine's biggest private energy firm, DTEK, has launched a major battery storage facility that will bring power to hundreds of thousands of homes and strengthen the grid ahead of expected Russian attacks this winter, the company said.

Who makes battery management systems (BMS)?

By manufacturing battery management systems (BMS), the company experienced substantial revenue growth in 2021. Furthermore, LG Chem has been the preferred BMS provider for several top automobile manufacturers.

What is the global battery management system (BMS) market size?

The global Battery Management System (BMS) Market is expected to grow from USD 7.8 billion in 2023 to USD 18.4 billion by 2028, at a CAGR of 18.7% from 2023 to 2028. A battery management system is an electronic system that monitors and manages the operation and functionality of a rechargeable battery such as lithium-ion.

Which is the best battery management system manufacturer?

MOKOEnergy is one of the best battery management system manufacturers, offering a diverse range of BMS customization options (customizable options: brand, specification, appearance, performance, etc.). Moreover, MOKOEnergy is certified by SGS ISO14001, ISO9001, QC08000, and TS16949.
