Overview

Is LG Energy Solution a good brand?

Already known for making quality, dependable products and appliances, LG Energy Solution is a household name that you can trust. Unlike most home battery makers, LG Energy Solution is a global battery cell manufacturer, manufacturing the battery cells that go in the home battery.

Who is LG Energy Solution?

On top of producing top-quality battery cells, LG Energy Solution is becoming a fully integrated system solution provider for ESS encompassing DC-AC integration and software-as-a-service products to lead the next generation ESS. LG Energy Solution's fully integrated system solutions include standardized containers with plug and play system.

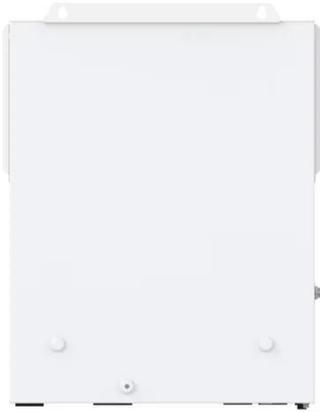

Is LG Energy Solution replacing ESS home batteries free of charge?

LG Energy Solution is replacing affected ESS Home Batteries free of charge as replacement units become available. LG Energy Solution, its distributors, and its installers are attempting to contact owners directly, but consumers with recalled batteries may also contact LG Energy Solution to schedule a free replacement.

How do I contact LG Energy Solution?

Contact LG Energy Solution if you need assistance by phone at 888-737-8104 from 9 a.m. to 5 p.m. ET Monday through Friday, or by email at RESUService@lgensol.com. The ESS Home Battery's unique serial number, which is located behind the access door at the bottom right of the unit, will determine if that battery is affected.
