

EQACC SOLAR

London building solar curtain wall manufacturer

Overview

What is OCL curtain walling?

OCL designs and installs high-performance curtain walling systems for commercial, residential, and public buildings. Durable, energy-efficient, and bespoke solutions.

Who are curtain wall & glazing?

Curtain Wall & Glazing From our purpose-built London facility, we design, manufacture and install façades, glass atria, windows, doors, rooflights and curtain wall systems. You can be sure of an end-to-end service driven by the highest standards of excellence at every step. Museum-Quality Daylighting™.

Who is Lingyun facade UK?

LYUK is dedicated to providing the UK market with a full range of quality services for all types of curtain wall systems (British Standard, European Standard, etc.), including design, procurement, fabrication and assembly, testing, transportation, on-site installation and after-sales service. Lingyun Facade UK Ltd. is a subsidiary of WHLY.

Why should you use solar shading in curtain walling?

In addition to our commitment to sustainable development, the solar shading solution that's integrated into curtain walling contributes to the comfort of users inside the building as well as the aesthetics.
