# **Luxembourg communication network base station**

## Overview

---

Where is Luxembourg main station?

Introduction Luxembourg main station is in the heart of Luxembourg city and provides easy access to the rest of the city via foot, bus and taxi. The airport is also only a short distance away. Major Rail Stations in Luxembourg Luxembourg Main Station Luxembourg rail map showing Luxembourg Line Key high speed and fast intercity trains available.

What is Luxembourg's National Broadband competence office?

The Department of Media, Connectivity and Digital Policy (Service des Médias, de la Connectivité et de la politique Numérique) of the Ministry of State (Ministère d'Etat) is Luxembourg's national Broadband Competence Office, in charge of digital connectivity strategy, its coordination as well as implementation.

What is Luxembourg's ultra-high-speed broadband strategy 2021-2025?

Luxembourg's ultra-high-speed broadband strategy 2021-2025 aims to achieve high performance connectivity for all. Objective 3 of the strategy is to accelerate the deployment of future-proof infrastructure, while respecting technological neutrality, to meet the current and future needs of all households, regardless of their geographical location.

Does Luxembourg have a 5G strategy?

Luxembourg has drafted a 5G Strategy. Luxembourg's Recovery and Resilience Plan (RRP) does not include any investment in connectivity, as the policy focus is on ensuring that private investment is sufficient to fulfil the objectives for 2025.
