

# Maintenance-free battery cabinet

## Overview

---

### What are Arimon battery cabinets?

Arimon uninterruptible power supply (UPS) backup battery cabinets are available for either front access batteries or top terminal (monobloc) batteries. All battery cabinets are constructed from heavy gauge steel with a durable welded frame and acid resistant powder coated finish available in a wide range of colors.

### What is KDM outdoor Battery Cabinet?

KDM Outdoor Battery Cabinet guarantees the service life of the batteries. It also enhances the temperature of the main facilities and power equipment in the base station so as to lessen power consumption. KDM Outdoor Battery Cabinet has high safety, fast assembly, maintenance-free, suitable for the rigid environment.

### What is a battery cabinet / rack?

EverExceed designs customized battery cabinets / racks for individual batteries. The cabinet or racking system can be specified to accomodate any battery cell. From flooded to sealed, from lead acid to nickel cadmium and from vertical to horizontal all kinds of battery cabinet / rack can be designed flexibly to save the space in battery room.

### What is an outdoor Battery Cabinet?

Outdoor battery cabinet protects contents from harmful outdoor elements such as rain, snow, dust, external heat, etc. Plus, it provides protection to personnel against access to dangerous components. As a famous manufacturer in China, KDM supplies thousands of outdoor battery cabinets for different purposes.
