What is a goodwe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

What are Coverland pitch roof solar solutions?

The Coverland pitch roof solar solutions go far beyond simply adding panels to a roof, not only in terms of the photovoltaic (PV) and solar thermal modules themselves, but how they can integrate with the tiles, insulation and other components to deliver clean energy without compromising on aesthetics.

Where do solar tiles come from?

Standard black solar tiles are local stock items, coloured tiles and designer shaped tiles are imported from Germany. Business in Pretoria - Marley SolteQ during installation. Residential house in Mossel Bay - Marley SolteQ Infinity installed with slate tiles.

What are the advantages of a Marley solar tile roof?

Below is a list of advantages you can enjoy when installing this unique solar solution: Integrate the relevant solar tile with either the normal Marley concrete or slate tiles where you have a part-solar, part-normal tile roof, depending on your power needs. Elegantly integrated aesthetic with no panels or visible wiring.
