

EQACC SOLAR

New Zealand Auckland Solar Lighting Brand

Overview

Who is solar lighting NZ?

Solar Lighting NZ is proud to have exclusive sale and distribution rights to the SBL lighting bollards, Orca solar commercial lights, overhead lighting and domestic solar lighting solutions. We provide comprehensive commercial and domestic solar lighting solutions to ensure our customer's needs are met with economical and reliable solar lighting.

What are the best solar lights in New Zealand?

ArchiPro features only the best solar lights in New Zealand from leading brands and suppliers you can trust. High-quality solar lights are built to last, using durable materials like weather-resistant stainless steel or cast aluminium to withstand our diverse climate.

Who makes solar-LED lights?

Domestic and Commercial Range Technology has been manufacturing solar-led lights for over 10 years. They specialise in R&D high-tech, high-end and unique solar-led light designs. They have a diverse range of elegant solar lights available. They are committed to providing New Zealand customers with energy-efficient, environment-friendly solutions.

Are solar lights a good investment in New Zealand?

These versatile lights can be hung from trees, pergolas, or other outdoor structures. They're perfect for adding a touch of ambience and can be easily moved or repositioned as needed. Investing in high-quality solar lights in New Zealand offers many benefits.
