

EQACC SOLAR

Ngerulmud Super Hybrid Capacitor Factory

Overview

Who makes supercapacitor in China?

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercap capacitor, module supercaps, high temperature supercap and hybrid capacitor.

Why should you choose kamcap supercapacitors?

As one of the leading ultracapacitor manufacturers, Kamcap provides high-quality supercapacitors. Because of the advantages of high power density, fast charging speed, and high reliability, along with the rapid development of science and technology, the application of supercapacitors in various fields will become more and more extensive.

What is supercapacitor gold capacitor farad capacitor?

The supercapacitor, also known as ultracapacitor or Electrical Double-Layer Capacitor □ Gold capacitor □ farad capacitor. A capacitor stores energy by means of a static charge as opposed to an electrochemical reaction. Applying a voltage differential on the positive and negative plates charges the capacitor.

What is a hybrid supercapacitor HBM series?

Kamcap supplies 2.3v hybrid supercapacitor HBM series. This type of supercaps can be applied to solar lighting, backup power, medical equipment, LED lighting, handheld electronics, etc. Jinzhou Kaimei Power Co., Ltd. was established in 2006, located in Jinzhou City, Liaoning Province, China.

Ngerulmud Super Hybrid Capacitor Factory

Super Capacitor Manufacturers and Suppliers

Super Capacitor Manufacturers, Factory, Suppliers From China, We give priority to quality and customer satisfaction and for this we follow stringent quality control measures. We ...
