Opzv outdoor battery cabinet

Overview

What is OPzV battery?

OPzV battery offers the highest cycle life among all other lead-acid batteries, with significant savings on the cost per cycle. They are maintenance-free and have robust construction, providing the highest level of reliability and performance. OPzV battery has superior deep discharge durability and excellent recharging properties.

Where are powersafe OPzV batteries marketed?

PowerSafe® products are marketed under the SuperSafe® brand in the following specific countries - India, Indonesia, Malaysia, Singapore, Thailand, Australia and New Zealand. PowerSafe OPzV batteries provide maintenance-free, long-lasting performance, offering reliable power & superior efficiency for backup & critical systems.

Are powersafe OPzV batteries safe?

Long service life combined with virtually maintenance-free performance make PowerSafe OPzV one of the safest and easiest to use Valve Regulated Lead Acid (VRLA) batteries on the market. Thanks to their die cast tubular plates, PowerSafe OPzV batteries provide excellent cycling and proven long life under float conditions.
