Overview

What should a survival gear collection include?

A solid collection of survival gear—beyond just a trusty backpack —should include tools, shelter, fire starters, and medical supplies to help you stay safe when things go south. Not all survival gear is created equal, though. The last thing you want in an emergency is for your equipment to fail when you need it most.

How many survival gear reviews are there?

Trailspace reviewers have shared 198 reviews of 96 different survival gear. Narrow your search and view more specific survival gear recommendations in these categories: Find more safety gear reviewed in these related categories: Independent survival gear reviews by real outdoors people.
