Pretoria communication tower base station construction project

Overview

What happened to Telkom towers in Pretoria?

The Department of Public Works and Infrastructure spent R250 million to renovate the Telkom Towers Buildings in Pretoria. However, they are now overrun by criminals and remain unoccupied.

How much does a Telkom building cost in Pretoria?

In August last year, Macpherson commissioned an independent report on the purchase and renovation of the unused former Telkom headquarters building, in Pretoria, costing taxpayers north of R900-million for a property that remains vacant and vandalised. “We are . . cracking down and getting tough on bad deals and bad expenditure.

When will the final forensic report on Telkom towers be delivered?

The final forensic report on the controversial Telkom Towers project will be delivered by the end of April, Public Works and Infrastructure Minister Dean Macpherson has revealed.

How do you plan a tower deployment project?

Project planning: Develop detailed project plans for each tower deployment project, including timelines, budgets, and resources required. Communication: Establish effective communication channels among project teams, stakeholders, and management to ensure transparency, collaboration, and timely resolution of issues.
