Where can I buy a container in South Africa?

With offices across South Africa, East Africa, and the Middle East, Almar serves a diverse range of industries, including transport, logistics, remote site accommodation, cold storage, bulk liquid storage, retail, and general storage. Buy or rent high-quality containers in Durban, Johannesburg & Cape Town.

Why do you need a container company in South Africa?

Manufactured to ISO standards, our containers are a valuable asset to your business, providing solutions for dry freight, on-site storage, refrigeration, and bulk liquid storage. Fast and reliable mobile storage solutions throughout South Africa, with offices and container depots in all major centres.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.
