# **Quad circuit breaker for sale in Pretoria**

## Overview

---

What is a circuit breaker?

Circuit breakers are electrical switches that are designed to protect an electrical circuit from damage caused by overcurrent/overload or short circuit.

Are Brite Lighting circuit breakers & components safe?

Ensure safety with Brite Lighting's circuit breakers & components—designed for efficient fault protection and reliable performance in any electrical system.

How to choose a circuit breaker?

The circuit breaker is selected based on the values of the total leakage current and the rated current. The best electric machines are those in which the maximum switching capacity for devices in the group is 6 kA. The same indicator for terminal devices should be at least 3 kA.
