Overview

Shanxi Lu'An Photovoltaics Technology Co., Ltd., subsidiary of the Chinese energy giant Jinneng Holding Group is a leading high-tech company focused on the development and production of solar products. What services does Sana PV offer?

SANA PV could offer ongoing maintenance and monitoring services to ensure the optimal performance of installed solar systems. Regular inspections, cleaning, and prompt repairs would be part of this service, helping clients maximize energy production and prolong the lifespan of their solar installations.

What makes Sana PV a good choice for your business?

1. Country with branch. 2. Country with access to sales. SANA PV could offer solar energy consulting services to businesses and organizations looking to transition to renewable energy.

Who is Sana green power?

At Sana Green Power, we not only offer solar solutions, but also create customized energy experiences. We are weaving a network of local experts and certified installers to ensure that each project resonates with your specific needs, whether in homes, businesses or industries.

Why should I join Sana green power?

With Sana Green Power, you are investing more than solar energy, you are driving community growth, job creation and economic development. Join us at Sana Green Power, transforming the energy landscape, one solar panel at a time. If you want to become a Local Partner or Representative, do not hesitate to contact us.

Sana 24v solar container outdoor power manufacturer

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5
