

EQACC SOLAR

Saudi Arabia outdoor wind power base station manufacturer

LIQUID COOLING ENERGY STORAGE SYSTEM

EMS real-time monitoring
No container design
flexible site layout

Cycle Life
≥ 8000

Nominal Energy
200kwh

IP Grade
IP55

Overview

Why are we diversifying into wind energy in Saudi Arabia?

In a natural progression of our proven expertise in the clean energy sector, we are diversifying into wind energy in Saudi Arabia.

Is Saudi Arabia a good place to invest in wind power?

These projects will be the first wind projects to be implemented with the involvement of a Japanese company in Saudi Arabia. In the power business industry, Marubeni considers Saudi Arabia, as a country which is undergoing remarkable growth, to be one of its highest-focus markets in the Middle East and Northern African (MENA) region.
