Overview

Who is zayel solar?

Zayel Solar is a solar equipment supplier based in Riyadh, Saudi Arabia. Founded by highly experienced professionals in the field of solar energy. We supply complete turnkey solar solutions and systems in the whole kingdom with highest technical support and after sales service.

Where is solar power installed in Saudi Arabia?

Majority of the solar power equipment that is installed and used in the country are from foreign suppliers and distributors. By the looks of it, this will be the case in the years to come. There are many ports serving Saudi Arabia to facilitate logistics and trade activity. These ports are as follows: Port of Ras al Mishab.

Does Saudi Arabia have a solar power industry?

There is no clear projection as to the rate of development and growth in the country's solar power industry. As it stands, Saudi Arabia has failed to live up to its potential. Majority of the solar power equipment that is installed and used in the country are from foreign suppliers and distributors.
