# **Short circuit breaker factory in Philippines**

## Overview

---

Why should you buy a circuit breaker in the Philippines?

Circuit breaker price is very cheap yet it holds a big role for safety at the building. Check the function, differences of types, and price list in the Philippines market here. Every house needs a circuit breaker. This device has an essential role to protect the electrical system in your house from serious damage.

Who makes the best circuit breakers?

When it comes to circuit breakers, Zenith provides a very wide selection. Their brands are ABB and Gewiss Electrical. They have air circuit breakers and miniature circuit breakers in various current ratings and amperes. Mega Himel is a distributor and supplier of low-voltage products.

What is a Siemens circuit breaker?

Under the Siemens brand, some of their product lineups include circuit breakers, contactors, overload relays, and motor circuit breakers. Their circuit breakers have a current rating that starts from 3A to 6000A at 480V. Most of their circuit breakers are suitable for commercial, industrial, and OEM applications.

What is a circuit breaker used for?

24/7 online get a quote! A circuit breaker is a safety device that can help prevent electrical-related accidents. It cuts off surges of electrical currents to prevent any damage to the electrical system. Thus, it is widely used in residential houses and commercial buildings.
