

# Solar energy storage equipment in Yemen

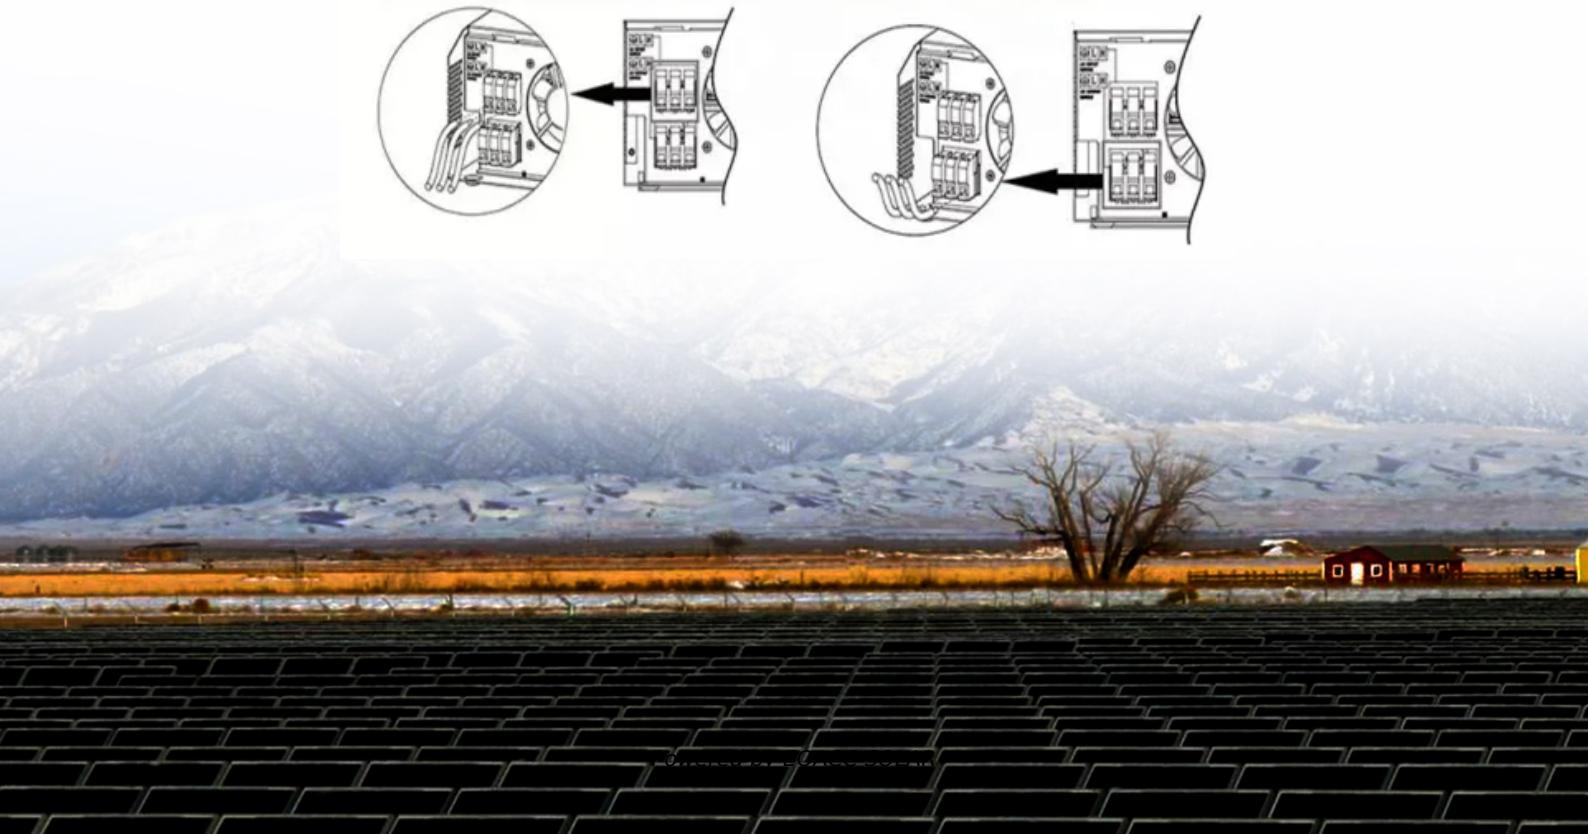

**Parallel** (Parallel operation up to 6 unit (only with battery connected))

AC input wires

AC output wires

## Overview

---

Who are the best solar energy companies in Yemen?

Since our inception and over time, we have been able, at Actes, to be one of the best solar energy companies in Yemen, through our continuous research and studies in the field of energy storage systems in particular and providing the best solutions to our customers.

Will solar power boost power in Yemen?

UAE-based Global South Utilities, an energy and water infrastructure company, is boosting its solar power generation capacity in Yemen to provide electricity to thousands of homes amid growing power challenges in the country.

Can solar power Yemen's Ataq city?

Photo: Global South Utilities UAE-based Global South Utilities inaugurated a 53-megawatt solar project in Yemen to power 330,000 households, significantly enhancing local electricity access. Electricity from the plant will "fully meet" the needs of Ataq City and six surrounding districts.

How does the UN Support Yemen's energy crisis?

The UN has initiated projects with international partners to support Yemen's energy crisis. Through funding from the EU and Sweden's government, the UN Development Programme has undertaken decentralised off-grid initiatives, with a focus on solar power.
