Overview

Who is the best online solar rooftop company in Delhi?

Usha Shriram is one of the best online solar rooftop companies in Delhi. They have worked with many clients in Delhi to install solar panels on their roofs and the ground. Usha Shriram offers the best equipment in the business at the best price and has provided clients in Delhi NCR with solar rooftop solutions that have made them very happy.

How much does a solar panel cost in Delhi?

Without subsidies, the solar panel price in Delhi varies depending on the capacity, quality, and brand of the panels. Typically, the price of a solar panel system ranges between ₹75,000 to ₹85,000 per kilowatt (kW), excluding installation charges.

How to install a solar system in Delhi?

To install a solar system in Delhi, follow these steps: **Site Assessment:** A technician from a registered installer will visit your property to assess roof space, shading, and optimal placement of the panels. **Quotation & Design:** Based on the assessment, you will receive a detailed proposal, including cost and system design.

Are solar panels a smart investment in Delhi in 2025?

Delhi is moving fast towards clean energy, and rooftop solar systems are becoming a popular choice for homes and businesses. With rising electricity bills and government support, installing solar panels in 2025 is a smart investment.
