

**EQACC SOLAR**

# **Southeast Asian water pump inverter manufacturer**

## Overview

---

What is veichi SI series solar water pump inverter?

VEICHI SI series solar water pump inverter is a high-efficiency solar water pump controller which can make full use of solar energy to drive water pumps for agricultural irrigation, water supply system, fountains, ground water lowering and etc.

What is the Southeast Asia industrial pumps market?

The Southeast Asia Industrial Pumps Market can be segmented based on pump type, end-user industry, and region. Pump types include centrifugal pumps, positive displacement pumps, and specialty pumps. End-user industries encompass oil and gas, chemicals, water and wastewater treatment, power generation, mining, and others.

What is a solar water pump inverter?

SI22 solar water pump inverter is cost-effective and economical, small and exquisite, palm-sized, greatly saving installation space and transportation costs. Solar pumping system converts solar energy directly into electric energy, and then drives motors to drive water pumps to pump water from deep wells, rivers, lakes and other water sources.

Which solar water pump inverter is best?

With modular design and IP65 protection, VEICHI SI30 solar water pump inverter is highly praised by customers. SI22 solar water pump inverter is cost-effective and economical, small and exquisite, palm-sized, greatly saving installation space and transportation costs.

## Southeast Asian water pump inverter manufacturer

Test certification  
CE FCC

### China Water Pumps For Southeast Asia Manufacturers

...

WASSERMANN is one of the most professional water pumps for southeast asia manufacturers and suppliers in China, specialized in providing high quality pumps with low ...

### Outdoor Cabinet BESS

50 kWh/500 kWh Battery Storage System

Industrial and Commercial Energy Storage

**All In One**  
Integrating battery packs

**Intelligent Integration**  
Integrated photovoltaic storage cabinet

**High-capacity**  
50-500kWh

**Rated AC Power**  
50-100kW

**Degree of Protection**  
IP54

**Altitude**  
3000m(>3000m derating)

**Operating Temperature Range**  
-20~60°C(Derating above 50 °C)

## Singapore Pump Products

As a home grown Singaporean company, we integrate, manufacture and design pumps specially for the South East Asian market. With partner factories and foundries in India, China, Malaysia ...
