Switchgear equipment for sale in Spain

Overview

Which is the best switchgear manufacturer in Europe?

This switchgear manufacturing company is considered the biggest industrial manufacturing firm in Europe along with branch offices across the globe. Siemens is one of the best switchgear manufacturers along with annual revenue of over \$83 billion across the worldwide market. Ultimately, Orecco is switchgear manufacturer located in China.

Who makes a switchboard?

Pine manufactures Low Voltage switchboards and Medium Voltage switchgears with a wide range of voltages, currents and breaking capacities. More than 45 years designing and manufacturing electrical switchboards place Pine in a leading position in the main strategic markets. Furthermore, we are specialized in the manufacture of high power equipment.

Who is SGC – switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC – SwitchGear Company provides reliable products for electrical distribution applications.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one feet away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.
