Switchgear equipment in China in Chicago

Overview

What is switchgear equipment?

Switchgear equipment in the railway industry must be able to withstand mechanical stress caused by operational vibrations and shocks, even under aggravated conditions. Rockwell Automation offers a comprehensive selection of electric protection and switching devices for the railway industry.

What is Switchgear Industries?

Switchgear Industries is a dependable and famous manufacturer and supplier of various electrical control panels such as Plastic Molding Machine Control Panels, Flameproof Control Panels, APFC Panels, Power Distribution Panels, Marshalling Boxes, and RTCC Panels.

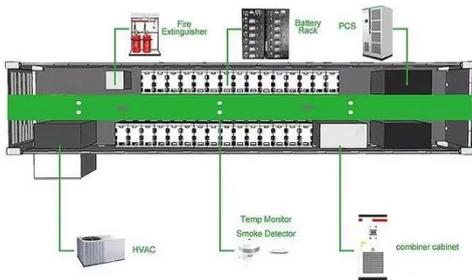

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

Where are switchgears made?

Our range of switchgear is born and bred in Australia. We began our journey over twenty years ago and are proud to have supported many businesses across Australia, New Zealand and the Pacific during this time. Our local staff are the backbone of our organisation.
