

# Tokyo portable power supply factory direct sales

## Overview

---

### Who is power supply technology?

Power Supply Technology Co., Ltd. was established through the transfer of the general power supply business from Panasonic Corporation through an absorption-type corporate split. Since then, we have continually provided optimal power supply products for customer product manufacturing needs based on our safe and reliable high level of quality.

### Why is Japan a key player in the power supply market?

On a global scale, Japan remains a significant player in the power supply market, influencing trends and advancements in technology. Understanding these dynamics is essential for anyone researching companies in this field, as they shape strategic decisions and investment opportunities within the sector.

### Who is Tokyo Tech Sales?

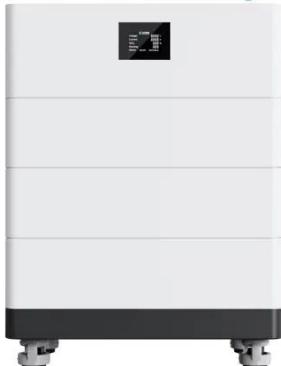

Tokyo Tech Sales is a Tokyo-based representative firm specializing in connecting global electronic components manufacturers with Japan's leading OEM (Original Equipment Manufacturers).

### Who is PST power supply technology?

We provide safe and reliable PST quality power supply solutions. Power Supply Technology Co., Ltd. was established through the transfer of the general power supply business from Panasonic Corporation through an absorption-type corporate split.
