

EQACC SOLAR

Tongda high power super capacitor price

Overview

Who is Hongda capacitors?

Hongda Capacitors is staffed with an outstanding management team, with 5 advanced production lines, complete quality control system, two chip capacitors research centers and one reliability test lab in the factory. We got patents of high energy tantalum capacitors and polymer tantalum capacitors.

Where can I buy supercapacitors & ultracapacitor?

The link could not be generated at this time. Please try again. Supercapacitors & Ultracapacitors are available at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many supercapacitor and ultracapacitor manufacturers including Cornell Dubilier, Eaton, Elna, KEMET, KYOCERA AVX, Maxwell, Vishay & more.

Where are supercapacitors used?

Currently our products are widely used on automotive, consumer electronics and industry areas. We are ISO9001:2015 and IATF16949 certified factory. Supercapacitors are increasingly becoming a core energy storage component in smart metering (including smart electric, water, and gas meters).

What is a surface mount device (SMD) aluminum electrolytic capacitor?

In the intricate world of electronic components, where stability and reliability are paramount, the Surface-Mount Device (SMD) Aluminum Electrolytic Capacitor stands as a fundamental pillar. In the world of electronic components, capacitors are often overlooked, yet they serve as the silent cornerstone ensuring system stability.
