

EQACC SOLAR

Top terrace solar glass sun room

Overview

What is the best sunroom idea for You?

“The best sunroom idea for you depends on a few things, including how you plan to use it, the age and style of your home, your budget, and of course your personal tastes. Often, people want a sunroom that blends seamlessly with their home, but that's not to say you shouldn't go against the grain if you want it to stand out," says Rachel Munby.

Are glass sunrooms retractable?

Our sunrooms have been installed in hundreds of thousands of homes, condos, restaurants, hotels and conference centers around the world. Unlike most glass sunrooms, our glass sunroom walls are retractable, so you can open and close them as you please. You can bridge together the indoors and outdoors with a stunning sunroom extension in your home.

What are the best sunroom ideas with plants?

Part enclosed patio rooms, among other lush sunroom ideas with plants, let's do our best to obtain a peaceful retreat that would suit one's taste. An all-glass sunroom increases the amount of light in the room and eliminates the boundary between indoors and outdoors.

How do I choose the right sunroom ideas?

Picking the right sunroom ideas means balancing great design with a room that is practical and comfortable, whatever the weather. Avoiding spaces that are too hot in the summer and cold in the winter in order to have year-round enjoyment is after all, the ultimate goal. But what is a sunroom?
