Does ECS offer transformer servicing in Uganda?

ECS can carry out transformer servicing on site, in any part of Uganda. Equipped with mobile servicing equipment, we ensure your transformers are well-maintained. [Read More Design & Building](#): At ECS, this department is dedicated to assisting clients who require a little more expertise to produce something that satisfies their particular requirements.

Who is Steema transformer & electrical?

Steema Transformer and electrical Pvt Ltd (U) is aiming to become leading supplier and repairer of transformer and electrical in East Africa. Our first factory and service center in Africa was commissioned in Uganda Oct-19.

What is the current range of transformers offered by ECS?

We take pleasure in introducing ourselves as one of the emerging manufacturers of state-of-the-art TRANSFORMERS in Uganda. Our current range is 11KV/33KV, up to 3000KVA Oil Cooled type. Equipped with mobile servicing equipment, ECS can carry out transformer servicing on site, in any part of Uganda.

Why do companies sell into Uganda?

Most companies that sell into Uganda view their objective as pushing containers of equipment. The resulting service levels are in line with that mentality. At Orion, our mantra is that we are selling “more than just a piece of metal” and view our product as a reliable low loss transformer operating on the grid and with after-sale care services.
