

EQACC SOLAR

UPS and battery cabinet support frame

Overview

Does unified power offer battery cabinets?

Unified Power offers a complete line of battery cabinets for both UPS and Telecom Applications. These cabinets can be configured to match OEM cabinets and offer a competitive option for system upgrades or new projects. Features Space saving foot print is the industry's most compact design.

What are Arimon battery cabinets?

Arimon uninterruptible power supply (UPS) backup battery cabinets are available for either front access batteries or top terminal (monobloc) batteries. All battery cabinets are constructed from heavy gauge steel with a durable welded frame and acid resistant powder coated finish available in a wide range of colors.

Are the parts for the ups rack available ex warehouse?

The individual parts for the UPS rack are available ex warehouse and we can guarantee short delivery times even for larger quantities of racks. The UPS racks meet all the requirements of DIN EN IEC 62485-2. The parts are all insulated and the battery installation location is insulated from the installation location.

What is a battery cabinet / rack?

EverExceed designs customized battery cabinets / racks for individual batteries. The cabinet or racking system can be specified to accommodate any battery cell. From flooded to sealed, from lead acid to nickel cadmium and from vertical to horizontal all kinds of battery cabinet / rack can be designed flexibly to save the space in battery room.
