# **Vietnam solar container lithium battery pack equipment**

## Overview

---

Who makes battery energy storage system?

NPP New Energy Co., Ltd – the World's Leading Manufacturer of battery energy storage system was established in 2002, with 4 factories in China and 1 overseas factory in Vietnam.

What is a battery energy storage system (BESS)?

Battery energy storage systems (BESS) are rechargeable batteries that can store renewable energy from different sources and be activated when they need to be discharged.

Did Marubeni launch a megawatt-scale battery storage demonstration project in Vietnam?

The project's official inauguration event held in December. Image: VinGroup. A green energy subsidiary of Japanese conglomerate Marubeni has brought online a megawatt-scale battery storage demonstration project in Vietnam.

How much solar power does Vietnam have?

Vietnam's Eighth National Power Development Plan, published in 2023, also acknowledges that the country's solar potential is an estimated 963GW of capacity, and the government has since made moves to provide offtake tariffs and better enable onsite self-consumption.

## Vietnam solar container lithium battery pack equipment

### Vietnam Container Energy Storage Device Company

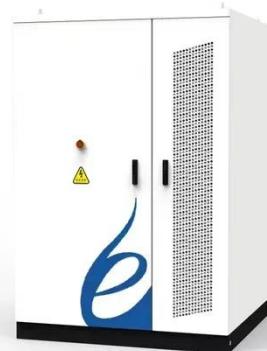

The lithium-ion battery is located in Vietnam's central coastal province of Khanh Hoa and has an output rate of 1.8 MW and a capacity of 3.7 MWh, Marubeni said Friday.
